

SKYKIT® SKP3 MEDIA PLAYER

# Android Media Player Powering Digital Signage Networks of All Sizes

### FEATURED HIGHLIGHTS:

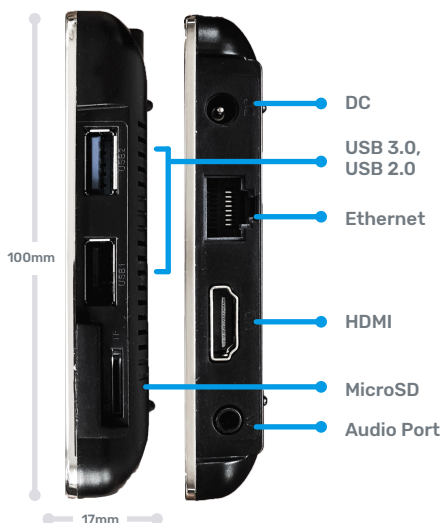

- ✓ Android 9.0
- ✓ Prosumer-Grade
- ✓ Device Management
- ✓ 4K Support
- ✓ Wi-Fi/Bluetooth
- ✓ Touch Compliant
- ✓ 2-Year Warranty

## Powerful, Reliable & Built for Digital Signage

The Android-based Skykit SKP3 transforms standard displays into reliable digital signs capable of running video and audio content, dynamic webpages, and HTML5 apps. Pair the SKP3 with any HDMI-enabled display to show content across your network with up to a 4K resolution output.

Powered by Skykit Beam digital signage CMS, the SKP3 can display a wide-range of readily-available apps such as infotainment and social media feeds, secured dashboards, livestreams, dynamic menuboard, and more. The SKP3 also supports HID-compliant touchscreens bringing commercial environments to life with the ability to publish custom, interactive experiences tailored to employees, customers and visitors.

The SKP3 includes Skykit Control, our enterprise-grade device management solution built for digital signage. Skykit Control manages and secures your SKP3s from deployment to retirement allowing you to remotely update Skykit Apps, enable device lockdown, and monitor your media players' health – all from the cloud-based Skykit Admin Console.
